Are Prescription Prices Out of Control? We Think So...

The drug from these facilities are randomly tested by independent labs to insure the consistent quality for our customers.

Canada Med Services works with a Canadian, New Zealand, and a US discount mail order pharmacy to obtain the lowest prices and product safety assurance. All Generic medications are manufactured in FDA or it's equivalent approved facilities.

"I was extremely happy with your service. The ordering was easy and I received my order very promptly."

Thank you!
Marilyn T., California

Over the past 5 years Canada Med Services has continually saved customers between \$400 and \$5000 a year on their prescription medications
